CALIFORNIA DECK PROS

California Deck Pros are San Diego's premiere outdoor living specialists. Led by Carter, they have a long-standing reputation in the industry of producing top quality projects in the Southern California area featuring premier composite deck products, including Decorators. With California Deck Pros, homeowners can make their dream deck a reality, customized with the highest quality materials.

Carter can serve as a valuable source on topics such as:

MODERN LIVING OUTDOORS

Living and working along the west coast, Carter has become well-versed in the California-modern aesthetic which balances clean lines with organic elements. Whether helping audiences hone in their personal-style or try something new, Carter can serve as an expert on modern design.

OUTSIDE 365

Homeowners today are looking to spend more time than ever outdoors, and Carter knows the up-and-coming features that allow his clients to make the most of their outdoor spaces. From fire features to shade structures and hidden storage, thoughtful design choices make spaces functional.

ALL IN THE MIX

Something that Carter likes to bring to any outdoor project is an eye for mixing materials. By combining different materials and textures, California Deck Pros can help homeowners create an interesting and one-of-a-kind space.

About Decorators

Decorators takes the enjoyment of personalizing a deck to a whole new level. Our composite decking, deck railing, balusters, post caps and decking lights make it easy to extend a living space outside. The pioneering spirit behind our brand keeps us on the leading edge of deck ideas and deck design innovation.
