## Jason Varney

Owner and Decorators Certified Elite Pro  
DOCK & DECK

Dock & Deck believes that building a dock, deck or outdoor living area is a very personal journey toward making a dream come true. Jason Varney developed his company with the intent of turning those dreams into a reality that suits his clients' lifestyle needs. After being in the design, sales, real estate development and building sector of the industry, he saw a need for their services in the outdoor living marketplace.

Varney can serve as a valuable source on topics such as:

### DOCK SOLUTIONS

Former host of DIY Network's "Docked Out," Varney is an expert at helping people realize the untapped potential of their water-side outdoor living spaces. When building on and around water, Varney has the solutions to create out-of-this-world projects.

### WATER-SIDE OUTDOOR LIVING

When working around water, durability and surface traction are essential. Varney can speak to which material options are going to give homeowners the look and style they're looking for without sacrificing practical function.

### BUSINESS INSIGHTS

Varney has built Dock & Deck from the foundation up and is an expert in growing an outdoor living business. He is available to share insights to help others in the business grow their company.

### About Decorators

Decorators takes the enjoyment of personalizing a deck to a whole new level. Our composite decking, deck railing, balusters, post caps and decking lights make it easy to extend a living space outside. The pioneering spirit behind our brand keeps us on the leading edge of deck ideas and deck design innovation.
