VERSATILE AND DURABLE: CREATE A FINISHED LOOK.

Use DecoRators® plastic lattice designs for various applications in your outdoor space. More than just a deck skirt, use lattice panels to conceal air conditioners and compost piles or get creative and use for planters, gazebos and outdoor living spaces. Available in multiple colors, you're sure to find the perfect fit for your outdoor area. Plus, it's UV-stabilized, resisting fading in the sun and is virtually maintenance-free.

- Create a cozy, semiprivate feeling to outdoor seating areas, outdoor kitchens, between neighboring homes and more
- Add modern flare to your outdoor pace, including skirting deck and porches
- Enclose private spaces or add a more opaque skirting to your outdoor areas
