

Deco~~r~~ators® **CONTINUOUS** TOP RAIL SYSTEM

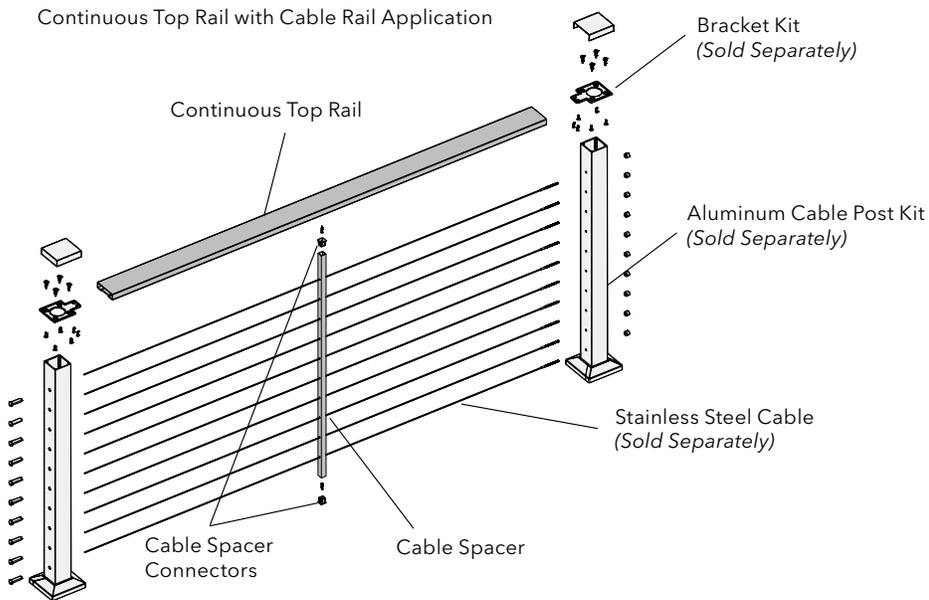

The Continuous Top Rail System creates a smooth, modern line that elevates railing designs. Crafted from durable aluminum and built to integrate seamlessly with Contemporary Cable Rail or Glass Rail Post Kits, it delivers uninterrupted style, added stability, and low-maintenance performance that keeps your outdoor space looking sharp season after season.

- Creates a sleek, uninterrupted look
- Adds stability and style to any outdoor space
- Compatible with Contemporary Cable Railing and Glass Rail Post Kits (1/4" glass only)

Continuous Top Rail with Cable Rail Application
