

Decorators®

OVERVIEW

ALUMINUM RAILING

NEW ESSENTIAL

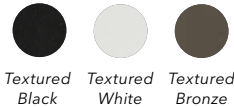

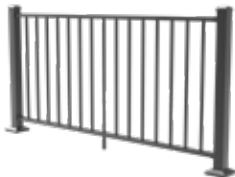

Top & Bottom Rail Profile

- Powder-coated aluminum railing designed to deliver style, durability, and value
- Available in Textured Black, Textured White, and Textured Bronze
- Offered as pre-assembled panels or kits with pre-routed top and bottom rails
- Available in 6' and 8' on-center lengths in 36" and 42" heights
- Compatible with 2-1/2" and 4" Posts (sold separately)

NEW ALIGN

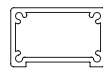

Featuring DropLock™ Technology

Top & Bottom Rail Profile

- DropLock™ Technology simplifies installation with an innovative drop-in railing system for faster installs and fewer steps
- Installer-friendly design eliminates pre-drilling, reduces labor and cleanup, and helps minimize installation errors
- Bracket bases slide into grooved post channels and lock securely into place for a clean appearance with no exposed fasteners
- Universal dovetail post design accommodates line, end, and corner configurations
- Pre-assembled panels are available in true 6' and 8' lengths for fast installation and consistent, accurate rail placement

CONTEMPORARY CABLE

Top Rail Profile

- Top rail kit available in 6' and 8' on-center lengths. Includes color-matched powder-coated aluminum spacers
- Pre-drilled line, corner and end posts
- New cable rail rope and hardware design simplifies installation, delivers a cleaner look, and is available in black and stainless steel finishes

- Cable available in lengths from 10' to 70'
- Top rail kits, posts, and cable kits sold individually

GLASS RAIL POST KITS

Textured Black

Glass sold separately

- Post to Post Glass Design
- Line, End and Corner Post configurations
- Compatible with 1/4" (6mm) and 1/2" (13mm) glass (Continuous Top Rail required for 1/4" glass only)

ALL Aluminum Railing Systems include :

- Powder-coated aluminum
