

United States and Canada Decking, Porch Flooring and Composite Railing Limited Warranty

Deckorators, Inc. ("Deckorators") is pleased to extend this Limited Warranty (the "Warranty") for all Deckorators Decking, Porch Flooring, and Composite Railing (the "Product(s)") installed in standard single family residential dwellings within the United States or Canada. This Warranty is solely extended to, and only valid for: (a) the owner of the residence at the time the Product is installed; or (b) the first owner acquiring the residence from the builder/contractor who originally installed the Products (collectively, the "Original End-User"). This Warranty is non-assignable to subsequent owners.

Subject to the terms, conditions, and limitations set forth herein, Deckorators warrants to the Original End-User that, from the date of the original purchase through the warranty period outlined in the Warranty Coverage Matrix below (the "Warranty Period"), the Product will be free from:

- **STRUCTURAL DEFECTS** – The Product will not split, splinter, corrode, or become structurally unfit due to rot, fungal decay, warp, cupping, checks, or damage caused by termites.
- **PERMANENT STAINING** – The Product will not exhibit permanent staining when exposed to food and beverage spills, including wine, tea, coffee, punch, sodas, ketchup, mustard, mayonnaise, salad dressing and salad oils, barbeque sauce, and other food- or beverage- related items that would typically be present on a residential deck or porch, provided that an attempt is made by the Original End-User to remove any such spill from the Products with water and mild household cleaners within forty-eight (48) hours of exposure.
- **EXCESSIVE COLOR FADE** – The Product will not exhibit "Excessive Color Fade" from light and weathering exposure. Excessive Color Fade is defined as a change in color greater than five (5) Delta E (CIE) when calculated according to ASTM D2244 for all non-variegated color surfaces. Excessive Color Fade for variegated color surfaces is defined as an unreasonable amount of color change in excess of "Normal Weathering," as set forth in the limitations below.

If at any time during the Warranty Period Deckorators determines that the Product has failed to meet the terms set forth in this Warranty, Deckorators will, in Deckorators' sole discretion: (a) repair the Product; (b) furnish a sufficient replacement product for the failed Product; or (c) refund the appropriate prorated portion of the original purchase price as set forth in the "Proration Schedule" below.

Additionally, if Deckorators determines, in its sole discretion, that Voyage or Picture Frame Products only have failed to meet the terms set forth in this Warranty, then in addition to the foregoing remedies, Deckorators warrants to the Original End-User that from the date of the original purchase through the Warranty Period outlined in the Warranty Coverage Matrix, it will pay a prorated portion of the reasonable and customary costs associated with installing replacement Products as set forth in the "Proration Schedule" ("Replacement Costs"). Replacement Costs shall not include the cost of permits required or obtained in connection with installing replacement Products.

If a claim is made under this Warranty on a Product that is no longer available and Deckorators chooses to furnish a sufficient replacement product for the failed Product, then Deckorators reserves the right to substitute a similar product of equivalent or greater value. Any replacement product provided in response to a valid warranty claim shall be warranted only for the balance of the Warranty Period under this Warranty.

THIS WARRANTY SETS FORTH DECKORATORS' ENTIRE RESPONSIBILITY AND SOLE AND EXCLUSIVE LIABILITY IF THE PRODUCT FAILS TO MEET THE TERMS SET FORTH IN THIS WARRANTY. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH HEREIN, DECKORATORS HEREBY DISCLAIMS ANY OTHER WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, UNDER STATUTE OR ARISING OTHERWISE IN LAW FROM A COURSE OF DEALING OR USAGE OF TRADE, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE.
